'Impossible not to be won over'
Chortle

Comedian Nick Hall brings his one-man Cold War thriller to the Edinburgh Fringe. In this fast-paced, energetic and hilarious multi-character show, Nick brings to life a vivid world of spying, suspense, seduction - and Scrabble!

Featuring physical comedy, wordplay, clowning, and one man playing over 20 characters – SZGRABBLE invites you into a madcap world where one game of Scrabble could lead to Nuclear War!

"His optimism for his own downfalls is beautifully acted out, with the comedic timing of a true sketch professional."
