

Edinburgh Fringe 2016: Comedy

Olaf Falafel and The Cheese Of Truth

The City Café
4 - 28 August (not 16) @ 4.15pm
Press Night: 5 August

'He's like Thor but way funnier and with a smaller hammer.'
Tony Law

Sweden's eighth funniest comedian and critically acclaimed idiot, **Olaf Falafel**, is on a mission to document his life through the medium of Vine videos.

These six-second snapshots of stupidity were supposed to answer some of life's big questions, but a chance encounter with some mystical cheese proved to be a distraction too irresistible.

Olaf Falafel, the subject of over **75 million views on Vine**, brings his **debut hour** show to the Fringe. Expect nonsense as we journey through a year in the life of an idiot where the only winners are stupidity and silliness.

'Olaf Falafel is an idiot, and wouldn't have it any other way.'
Steve Bennett

As well as being the subject of over 75 million views on Vine, Olaf's exploits include making the final of the 2015 Leicester Square New Comedian, coming second in the 2014 Laughing Horse New Act of the Year, winning the Foster Golden Jester competition 2013 and beating the Comedy Store's infamous Gong Show (twice just to show off!).

'Olaf Falafel is like a chocolate digestive – very moreish. One of my favourites'
Bruce Dessau

'Skilfully delivered absurdist musings'
Three Weeks

'Hilariously funny and surely destined for greater exposure and fame.'
Bedfordshire on Sunday newspaper
