

**Intuitive Creatures and the Free Festival present:**

## **MADAME SEÑORITA**

*Passion is back in fashion*

Laughing Horse @ City Café - The Free Festival, Edinburgh 2014  
Aug 1-16 @ 01:00

Accomplished actress, mime and comic, **Paula Valluerca** brings the playful and irresistible Madame Señorita to the Edinburgh Fringe this year, a character creation that will set tongues wagging and hearts racing.

**\*\*\*\*\* 5 STARS! Mouth London: “One of the best things I have ever seen”**

Madame Señorita is a force of nature. She's come to Edinburgh to seek fame after selling out her cabaret nights at 'La Taberna de Paco', her local village bar back home in southern Spain. She hopes to catch the eye of a rich producer or a famous director in the festival city, or even a combination of both!

As well as singing and flamenco-ing her way to stardom, Madame Señorita shares with us the tales of her tempestuous love life, including her affair with Ariel Uribe, a Spanish torero with a tendency to bullfight even outside the arena! This endless search for love provides some, literally, touching moments with the audience.

But don't worry, Madame Señorita is playful and passionate, but she doesn't bite (at least not usually). She just wants to leave her mark on British culture and make us a bit more open to our feelings. So, if you want to leave behind social norms and preconceptions and make space for passion in your life, this is the show for you!
