Carl Donnelly: Another Round

International Tour 2025

‘Observational genius’

The Guardian

Double Edinburgh Comedy Award nominee **Carl Donnelly** (as seen on shows such as *Mock The Week*, *Alan Davies ‘As Yet Untitled’* and many more) returns with a brutally funny dive into a year like no other.

Last year Carl did a show about how much he’s enjoying life. Then life decided to challenge him on that. **Another Round** is a chance to join one of the UK’s finest comedians as he brings you up to speed on how he’s settling into being a married, middle-aged father with recurring stomach ulcers, a bald patch and an internet search history that now includes ‘anti-leakage boxer shorts.’

From his hospitalisation during last year’s Melbourne Comedy Festival to the harrowing experience of his young daughter battling a serious illness later in the year, Carl’s life has been anything but ordinary. But, with his signature blend of honesty and wit, Carl turns life’s darkest moments – including internally bleeding on a cruise ship and crying in a Turkish barbers - into comedy gold.

So, raise a glass and join Carl for laughs, resilience and an unmissable hour of stand-up.
